

Alessia Benedetti

SENIOR ASSOCIATE

Alessia Benedetti is specialised in administrative law, with particular focus on operations relating to the energy sector, carrying out legal due diligence activities in relation to numerous projects, involving both fossil (gas and hydrocarbon) and renewable energy sources (wind power plants, hydroelectric, photovoltaic and biomass). She has also assisted many national and international companies with regard to administrative law aspects, including urban planning and construction, business authorisations and other permits necessary to carry out the relevant corporate business.
