

Giusi Colasuonno

COUNSEL

Giusi Colasuonno focuses on M&A and project financing in the infrastructure and energy sectors.

In particular, Giusi has been involved in some of the most important infrastructure project financings particularly in the transportation sector. Regarding energy, Giusi has developed an extensive track record both in the context of complex financing and in the M&A and secondary market with a particular focus on renewable energy plants, regularly participating in complex deals for the acquisition of large portfolios in different areas: wind, photovoltaic, agri-voltaic, hydroelectric, waste to energy, biomethane, biogas, storage, and offshore wind. Giusi regularly assists leading national and international operators, investment funds, merchant banks and financial institutions in all phases that routinely characterize the type of transactions considered (project development and acquisition, participation in tenders, due diligence activities, drafting and negotiation of construction and other project contracts and financial documentation, PPAs).

Giusi has extensive experience in drafting and negotiating acquisition agreements, investment agreements, shareholders' agreements, and long-term business partnership agreements as part of major transactions in the energy market.
