○ Energy & Infrastructure ○ Banking

Alfredo Fabbriatore regularly assists major national and international banks, Italian and European financial institutions and sponsors in limited or no recourse project finance transactions in the energy and infrastructure sectors.

He advises investors in the development and construction of large scale renewable projects as well as financiers in strategic Italian public-private partnerships (PPP) and associated contractual documentation.

Alfredo also acts for borrowers and banks on acquisitions and refinancings of projects and in high-profile corporate finance transactions, also Sustainability-linked.

He also assisted Europe's main gas company in the development of the natural gas distribution network for transport (CNG and LNG) in Italy.
