○ Corporate M&A

○ Data Law

○ Life Sciences & Healthcare

Francesca Ferrari is active in the fields of Data Protection, Data Law and ICT Law, particularly providing legal advice on the application of Regulation (EU) 2016/679 and on issues related to artificial intelligence to domestic and international companies in the fields of healthcare and life science, insurance, defence, transport and fashion sectors. She also focuses on general corporate, consumer and contract law issues, drafting and revising general terms and conditions for various IT products as well as IT contracts. Francesca advises clients in the context of inspections and law enforcement actions undertaken by the Italian Data Protection Authority and other supervisory authorities, as well as in the context of litigations and judicial activities related to the application of data laws.
