○ [Dispute Resolution](#)

Jacopo Nisticò handles ADR and litigation before the Italian courts, spanning ordinary and interim proceedings, cross-border disputes, and class actions. He regularly advises and represents leading technology and telecommunications companies across Europe and worldwide, offering judicial and out-of-court assistance on civil and commercial matters, as well as on European digital-platform regulation and the EU Digital Single Market. Jacopo has also developed particular expertise in assisting major hosting-service providers in managing intellectual-property infringements, both in and out of court.
