Structured Finance

Debt Capital Markets

Matteo Pierotti focuses on banking law and structured finance. He has been involved in a wide range of structured finance transactions, with a particular focus on the purchase and/or disposal of non-performing loan portfolios (including in the broader context of bank restructuring), as well as in the context of single name purchases. Matteo Pierotti is also regularly involved in innovative financing transactions, including through the use of securitisation structures, in the context of real estate, acquisition and corporate financing transactions. Finally, Matteo has assisted sponsors, arrangers and issuers in debt capital market transactions involving the issuance of debt instruments (including high yield bonds and/or minibonds).
