

Daniela Mongillo

SENIOR ASSOCIATE

Daniela Mongillo focuses on administrative law, particularly on energy law. She provides legal assistance in the acquisition of companies owning renewable energy production plants, carrying out due diligence activities. She also advises clients on permitting procedures and on the applicable incentive schemes for energy projects.

Daniela also has considerable experience in public procurement, acting for both private companies and public bodies in all stages of tendering procedures. She has further developed expertise in urban planning and construction law, undertaking legal due diligence and providing advisory services in relation to the acquisition and disposal of real estate assets.
