

Martina Bignone

ASSOCIATE

Martina Bignone focuses on Environmental Law. Throughout her professional career, she has assisted clients in environmental due diligence activities, as well as in environmental matters relating to remediation procedures, wastewater discharges and waste management.

In addition, she has gained extensive and in-depth experience in complex environmental criminal proceedings, in the areas of illegal waste trafficking, environmental pollution and wastewater discharges, as well as in occupational health and safety criminal proceedings.

Martina has provided assistance in the drafting of Organizational Models pursuant to Legislative Decree 231/2001 and participation in Supervisory Boards, with a focus on environmental and occupational health and safety issues and risks.

She is also involved in ESG issues.

Martina graduated in Law from the Università Cattolica del Sacro Cuore in Milan.

She is a member of the Milan Bar Association.
