○ Energy & Infrastructure

Mariarosaria Dragone focuses on project finance, with reference to the energy and infrastructure sectors. In particular, she regularly assists sponsors, project companies and credit institutions (both national and international) in structuring and negotiating financing transactions in all technical forms and for all purposes (non-recourse project finance, acquisition finance, SACE-backed financing, project bonds, etc.) in the renewable energy sectors.

She also provides advice on corporate law, with a particular focus on mergers and acquisitions (M&A) in the energy sector.
