○ Tax

Francesco focuses mainly on tax consulting for legal entities, both domestically and internationally. He also has experience in national and cross-border financing operations, particularly in the project finance sector, providing assistance to both borrowers and lenders.
Francesco is also involved in supporting clients during pre-litigation and litigation phases.
Additionally, he has significant expertise in advising companies offering tax insurance services, in assessing risks associated with M&A and private equity transactions.
He has also attended an advanced course on Double Tax Treaties at the International Tax Centre in Leiden.
