○ Banking ○ Debt Capital Markets

Cosimo Spagnolo advises on banking, structured finance and capital markets matters.
He regularly assists Italian and international banks and corporates in connection with public offerings and private placements of bonds, including the establishment and update of EMTN and commercial paper programmes, as well as stand-alone issuances and basket bonds. He has also been involved in numerous liability management transactions.
He also advises on banking transactions, including syndicated and bilateral loans, acquisition financing and related hedging derivatives, as well as on structured finance transactions such as securitisations.
Cosimo holds an LLM in Banking and Finance Law from Queen Mary University of London, with Distinction.
