○ Tax

Luigi Scordo mainly deals with international tax consultancy for large multinational groups and small/medium-sized domestic companies. Over the years, he has developed an in-depth knowledge of transfer pricing issues, in relation to which he has been involved in a wide range of activities, including the definition and implementation of transfer pricing policies, the negotiation of unilateral and bilateral APAs, the assistance during tax audits, and the management of pre-litigation, litigation and settlement phases. In addition to his professional activity, he is involved in various educational activities (masters, conferences and seminars), both in Italy and abroad, on transfer pricing and international taxation matters.
